## How does it work?

We offer a range of financing options, from simple single residential investment finance, to more complex corporate structures including property portfolios.

### Rent Only Purchase Plan

Our Rent Only Purchase Plan product is an arrangement between the Bank and the applicant. Both the applicant and the Bank will each contribute a percentage towards the purchase or refinance of a residential property. For example, the Bank may contribute 75% and the applicant 25% of the purchase price (for refinances, the applicant's contribution is the equity in the property).

The Bank will lease its share in the property to the applicant for the duration of the finance term.

Over the finance term, the applicant will make monthly payments to the Bank which will comprise of rent only. This means that, during the term of the Purchase Plan, the applicant is not acquiring any shares of the property from the Bank and as a consequence the applicant's share in the property during the term will remain the same. In addition, the applicant's monthly payments will also be lower when compared to our Acquisition & Rent Purchase Plan product.

The applicant must acquire the Bank's share in the property at the end of the agreed term by making a full lump sum Acquisition Payment. This amount may be reduced by making Additional Acquisition Payments (AAPs) at any time during the finance term. An Early Redemption Charge (ERC) may be payable if the Bank's share is acquired in full or AAPs greater than the 10% annual allowance is made during the Fixed Rental Rate Period.

Until the Bank's share has been acquired by the applicant, the Bank will charge the applicant rent for the use of its share of the property. The rent is calculated according to the respective shares owned.

It is the applicant's responsibility to make sure that they put in place, maintain, and regularly monitor, any financial arrangement that is expected to provide a lump sum sufficient to acquire the Bank's share at the end of the agreed finance term.

### Notes:

- On settlement of the finance, an Account Settlement Fee is payable in accordance with the Bank's standard Tariff of Charges to cover the Bank's administration costs.
- The minimum Additional Acquisition Payment (AAP) is £2,000.
- The Customer is responsible for their own solicitor costs, stamp duty and other conveyancing charges (such as land registry fees) at outset and on settlement.

### Acquisition & Rent Purchase Plan

Our Acquisition & Rent Purchase Plan product is an arrangement between the Bank and the applicant. Both the applicant and the Bank will each contribute a percentage towards the purchase or refinance of a residential property. For example, the Bank may contribute 75% and the applicant 25% of the purchase price (for refinances, the applicant's contribution is the equity in the property).

The Bank will lease its share in the property to the applicant for the duration of the finance term.

Over the finance term, the applicant will make monthly acquisition payments through which the Bank will sell its share of the property to the applicant. With each acquisition payment, the Bank's share in the property diminishes while the applicant's share increases.

While the Acquisition Payments are being made, the Bank will charge the applicant rent for the use of its share of the property. The rent is calculated according to the respective shares owned.

The applicant may acquire the Bank's share before the end of the finance term by making Additional Acquisition Payments (AAPs). Alternatively, they may reduce the monthly Acquisition Payments and acquire the Bank's share at the end of the original finance term. An Early Redemption Charge (ERC) may be payable if the Bank's share is acquired in full or AAPs greater than the 10% annual allowance is made during the Fixed Rental Rate Period.

Following the applicant's acquisition of the Bank's share, either at the end of the agreed term or upon early purchase of the Bank's share of the property, whichever is earlier, the Bank will transfer the registered ownership title of the property to the applicant.
